WHEREAS, on January 23, 2013 an article concerning a proposal by Atlantic County to undertake a \$3.1 million project for the rehabilitation of the John F. Kennedy Memorial Bridge was posted on the Press of Atlantic City web-site.

WHEREAS, according to the article, the proposed schedule of rehabilitation would require a complete closure of the bridge to traffic from between 7 a.m. And 7 p.m. Monday through Friday from September 4 through December 15, 2013 and total closure between April 1 and April 15, 2014; and

WHEREAS, the article further reported that the proposed schedule of bridge closing had been approved by the governing body of Egg Harbor Township, leaving final approval to Longport to be considered at a meeting of its governing body on February 20, 2013; and

WHEREAS, a concern was expressed by the Mayor and Council that no prior notice of this project had been received and for the potential adverse impact such a closing to vehicular traffic would have upon not only the residents of the Borough of Longport, but also upon the residents of the Downbeach communities which utilize the bridge on a daily basis as a direct route to Shore Medical Center, physician offices, supermarkets, restaurants and other places of business; and

WHEREAS, such a closing would have a material adverse impact upon the ability of first responders, rescue squads, ambulances and mutual aid fire and police providers to achieve direct and rapid response in the event of emergency situations; and

WHEREAS, having to take an alternate route during a complete closure would require either using a toll bridge or driving into Ventnor or Atlantic City to access the Black Horse Pike, adding a considerable distance to the trip; and

WHEREAS, the John F. Kennedy Memorial Bridge is a part of the Evacuation Route in the event of a natural disaster; and

WHEREAS, on February 5, 2013 the Atlantic County Board of Chosen Freeholders held an open public meeting in the Longport Commission Chambers for the purpose of presenting the scope of the proposed bridge rehabilitation project to the public and to provide an opportunity for public input; and

It is further **RESOLVED**, that the Atlantic County Board of Chosen Freeholders are thanked for using a transparent process providing full disclosure and receiving public input; and

BE IT ORDAINED BY THE COMMISSIONERS OF THE BOROUGH OF LONGPORT that:

SECTION I. Paragraph B of Section 167-33. Drainage is changed to read as follows:

167-33. Stormwater Management.

B. As part of the permitting regulations, Longport Borough must adopt a Stormwater Management Plan; and also adopt and enforce stormwater regulations to comply with said Plan.
