

BOROUGH OF LONGPORT
Atlantic County - New Jersey
Resolution 2018 - 39
REJECTION OF BIDS FOR THE
ELECTRICAL AND MECHANICAL IMPROVEMENTS
TO THE FIRE HOUSE AND MUNICIPAL HALL BUILDINGS
2305 Atlantic Avenue

WHEREAS, the Purchasing Agent in the presence of the Municipal Clerk and Municipal Engineer opened four bids received for the above referenced Project at the publicly advertised time of 2:00 P.M. on the publicly advertised date of March 01, 2018; and

WHEREAS, the apparent lowest bidder **Eagle Construction Services** of Burlington, N.J. submitted a letter dated March 08, 2018 indicating that a mistake was made in the preparation of the bid and that they would withdraw their bid; and

WHEREAS, even if the Project was to be awarded to the lowest bidder, it would have been necessary to reallocate bond funds to appropriate the full amount of the bid thereby delaying award of the Project; and

WHEREAS, after review by the Municipal Engineer and Project Engineer, **Concord Atlantic**, it was determined that based on the bids received, there are monies currently available in the bond to perform just the mechanical work in the Fire House and Police Department, leaving the bidding of the electrical work to a bond reallocation in the future.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Borough of Longport that the bids received for the **Electrical and Mechanical Improvements to the Fire House and Municipal Hall Buildings**, which were received on March 1, 2018 are hereby rejected; and

BE IT FURTHER RESOLVED that the Governing Body hereby accepts the recommendation of the Municipal Engineer and here directs the advertisement and receipt of bids for a new project dealing only with the mechanical improvements to both the Fire House and Police Department thereby providing for sufficient time to reallocate bond funds to performing the Municipal Hall electrical work at a future date.
