Atlantic County - New Jersey
Resolution
2021-135

A Resolution Amending Prior Resolution on Remote Commission Meetings

WHEREAS, Resolution 2021-123 passed by the Governing Body of the Borough of Longport established a limit on the amount of individuals from the public that could attend Commission meetings in person due to the COVID pandemic.

WHEREAS, Due to the capacity limitations on the public attending Commission meetings; Resolution 2021-123 and Resolution 2021-127 passed by the Governing Body of the Borough of Longport established a remote access feature for public participation in Commission meetings for those who could not attend in person.

WHEREAS, The capacity limitation on public attendance at Commission meetings has been lifted. The Governing Body of the Borough of Longport has reviewed the continued need for the remote meeting access, including the potential for members of the public, due to mechanical issues, to be unable to participate in a Commission meeting and the need for the public to be fully informed as to Borough business.

NOW, THEREFORE BE IT RESOLVED:

Resolution 2021-123 is hereby rescinded and Resolution 2021-127 is amended. Participation at Commission meetings by the public will only be in person. In order to keep the public fully informed regarding Commission business, the Borough will voluntarily continue to broadcast meetings through the telephonic system. This will be solely for the public to monitor or hear the meeting only; no public participation will be permitted via the telephone broadcast.
