

**Borough of Longport Seeking Additional Donations for End of Summer Fireworks Display on
September 3, 2022**

The Borough of Longport is moving forward with the town's traditional End of Summer fireworks display. The event is scheduled to be held Saturday, Sept. 3rd, 2022, with a rain date the very next day, Sunday, Sept. 4th.

In order to help fund the event, the Borough is seeking donations to help offset the costs of the display. Currently, the Borough is seeking an additional \$1800. The total cost for the display is \$12,700. Those interested in making a donation can write a check to the **Borough of Longport** and mail or drop it off to: Longport Borough Hall, 2305 Atlantic Avenue, Longport, NJ 08403. In the 'Memo' line please write "Fireworks."

"Longport is unique in that it generally holds its fireworks display towards the end of the summer season. This year will be no different as it will hold the event on Labor Day weekend, ending the summer with a grand finale of dazzling lights," Mayor Nick Russo said. "Without the generosity of our residents and the Longport Volunteer Fire Department, the event would not be possible. Although, we currently have partial funding for the event, more funds are needed to help close the gap," he added.
